Agenda

- **LTC Survey Results**
 - 29 facilities answered
- **LTC Rise 2.0**
 - IP Educational Offering
- **Questions and Discussion**

Q2 Your facility is (choose best answer)

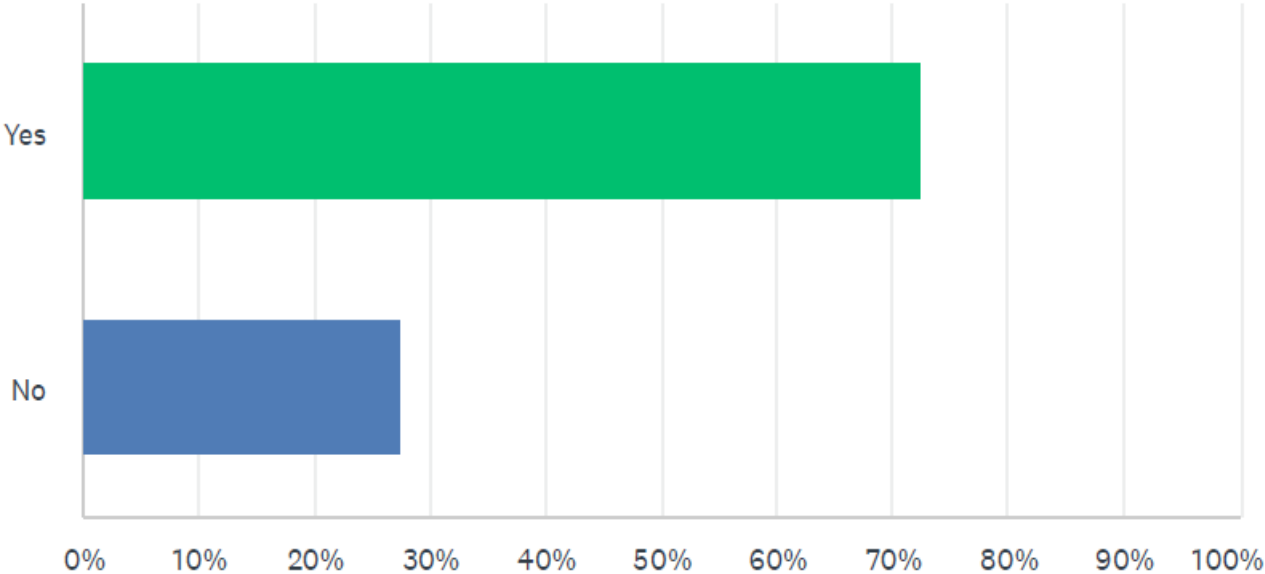

Answered: 29 Skipped: 0

23 SNF, 1 PCH, 5 include both

Q3 Are you responsible for infection prevention/control in your facility?

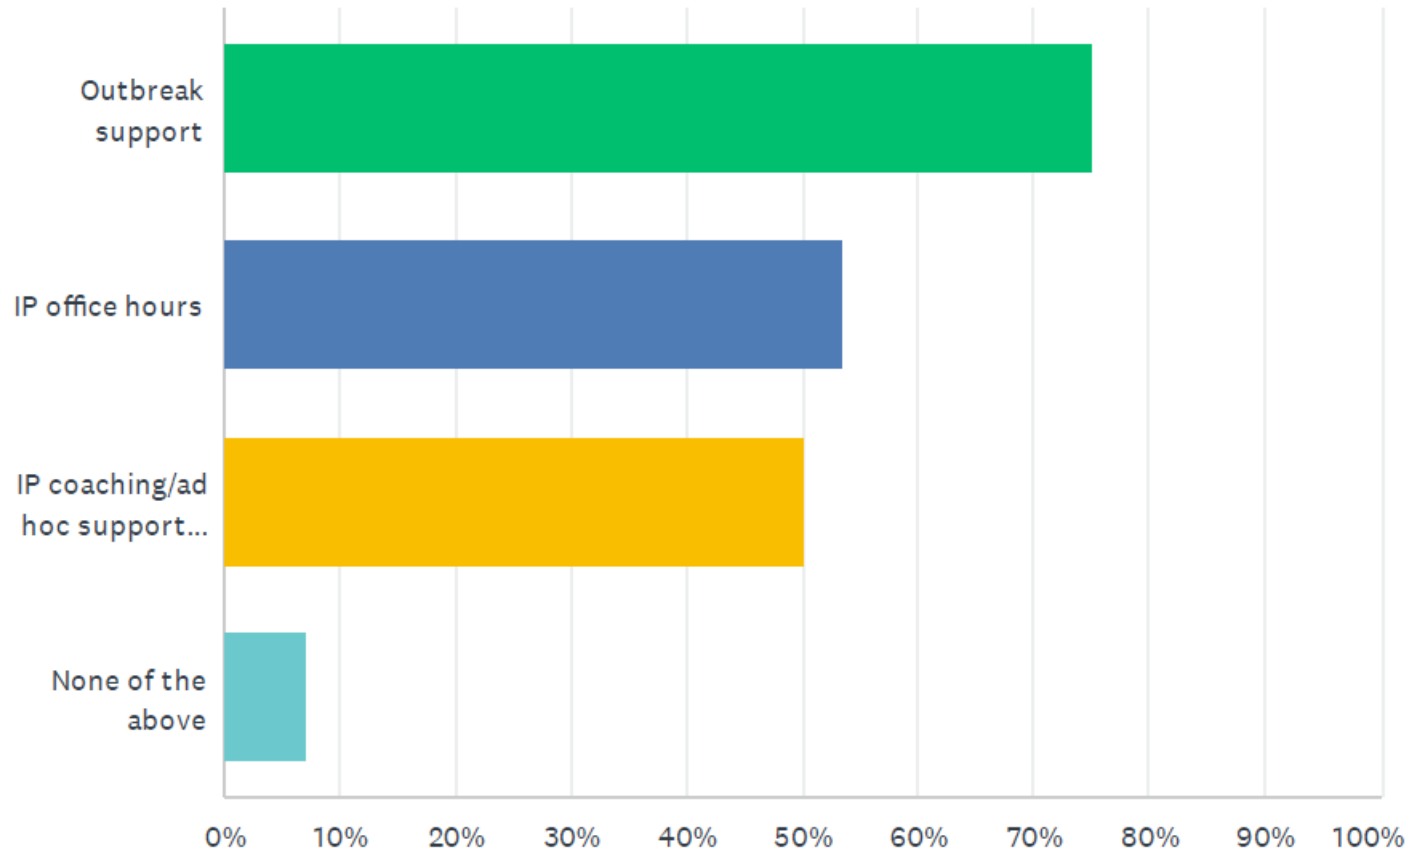

Answered: 29 Skipped: 0

75% yes; 25% no

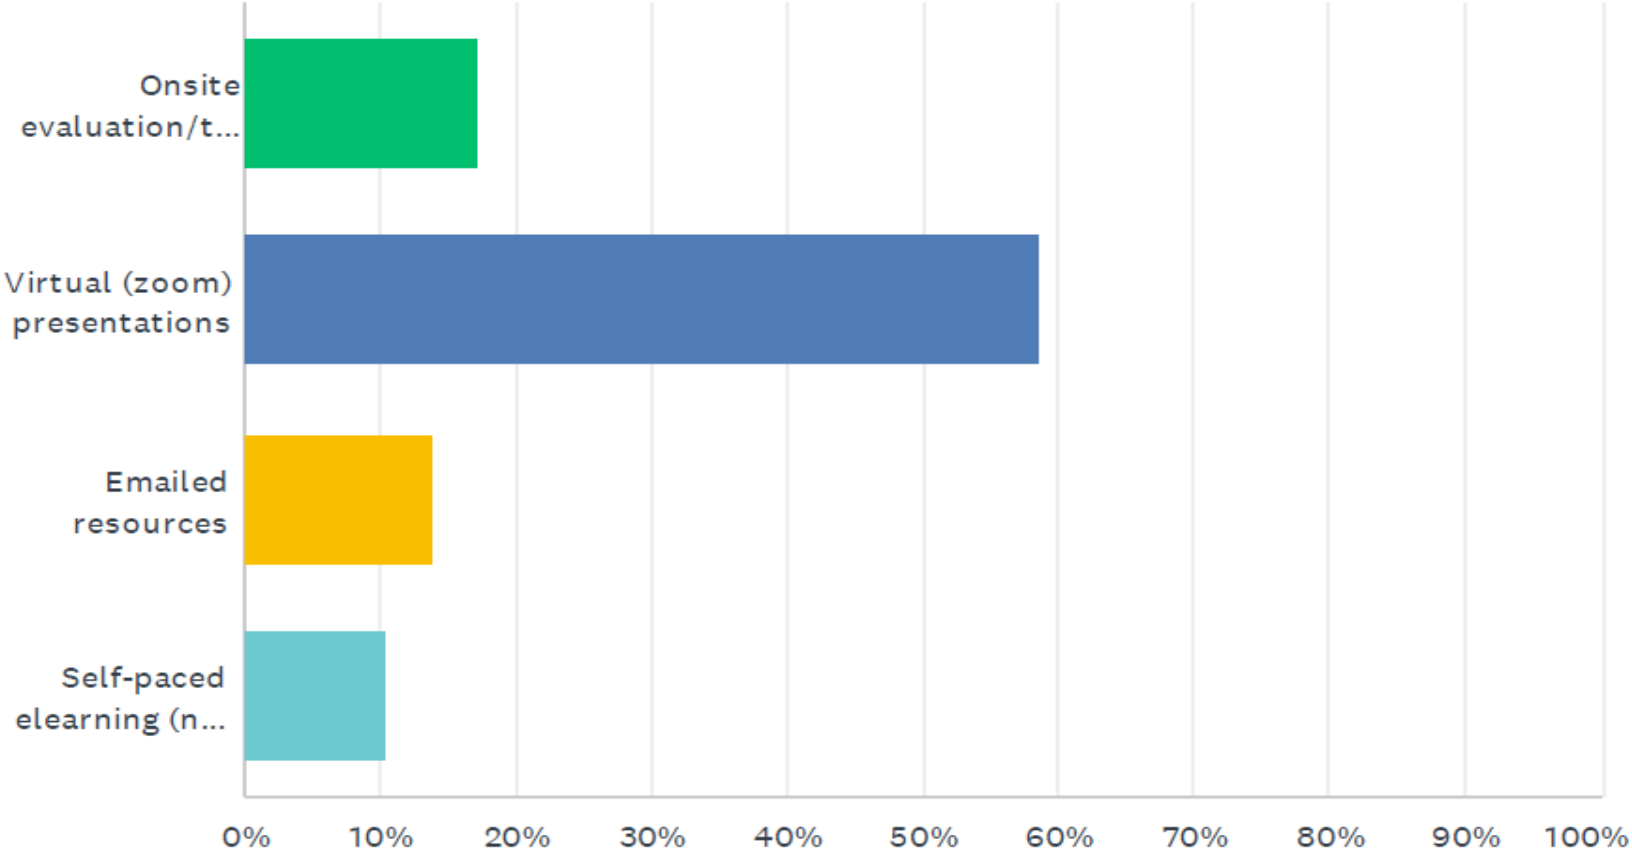

Q4 To date, what resources have you found most helpful? (check all that apply)

Answered: 28 Skipped: 1

Q5 Preference for interaction

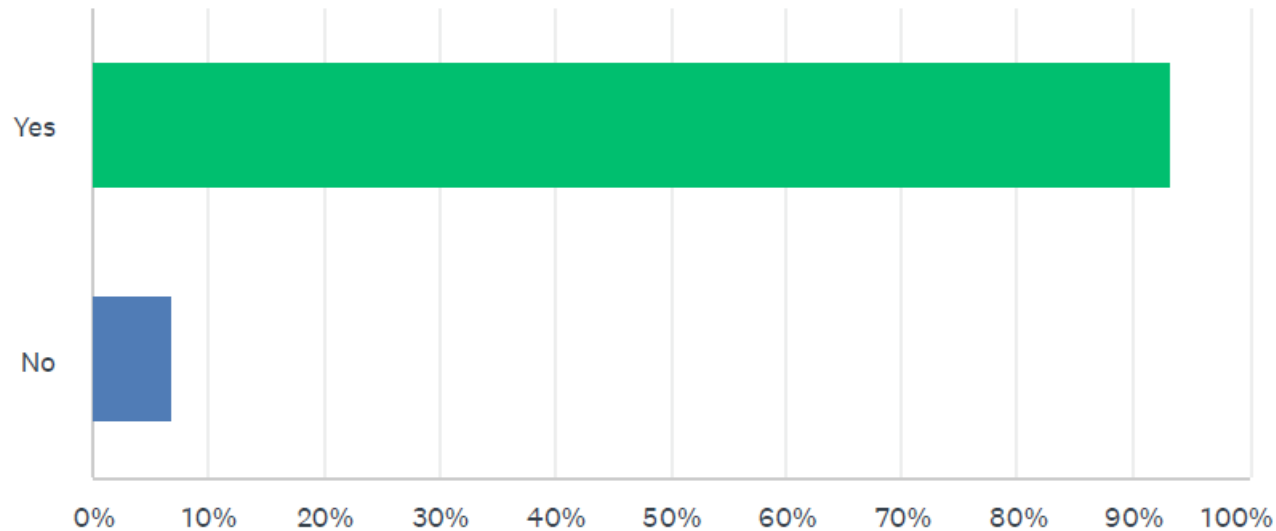

Answered: 29 Skipped: 0

5 onsite; 17 virtual; 4 email; 3 self paced learning

Q6 We are looking to develop an 12 week infection prevention educational series to review "back to basics", surveillance & auditing, and pandemic preparedness. It would consist of 6 virtual teaching sessions and 3 networking/coaching sessions with a week off each month. Is this something you or someone in your facility would be interested in participating in?

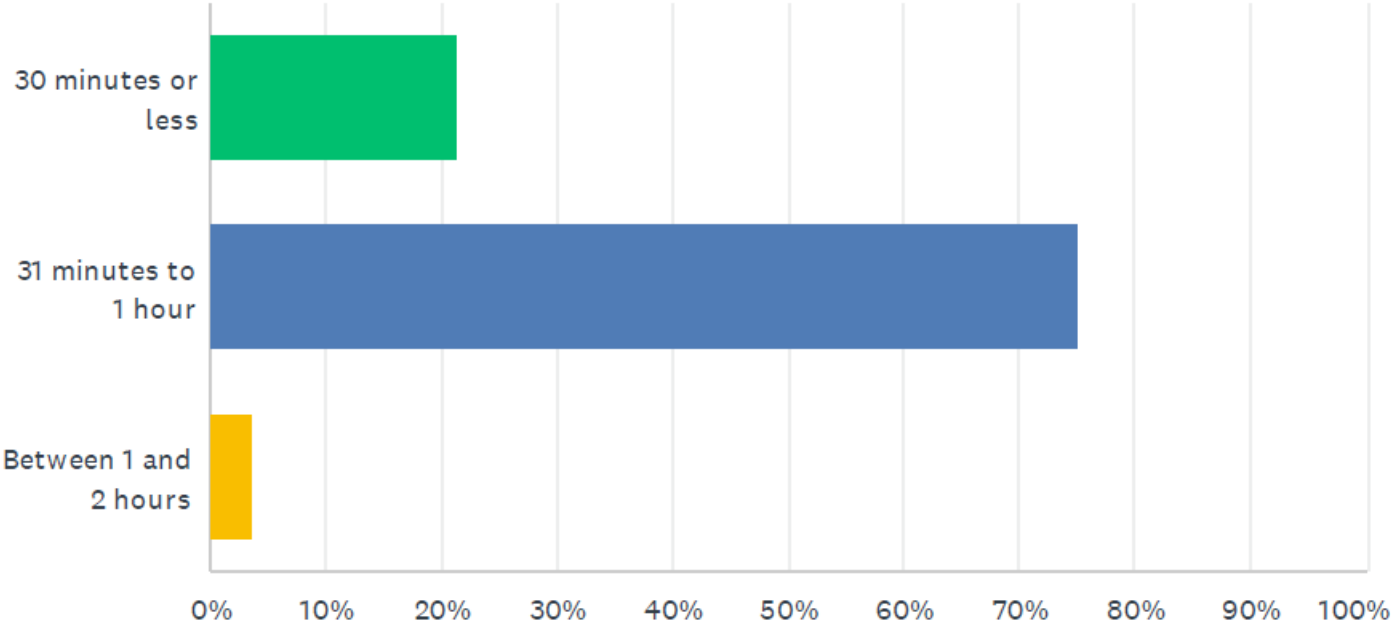

Answered: 29 Skipped: 0

27 yes; no2

Q7 If you prefer any type of virtual program (IP office hours, networking call, the new IP course) what length of time is most appropriate for your needs?

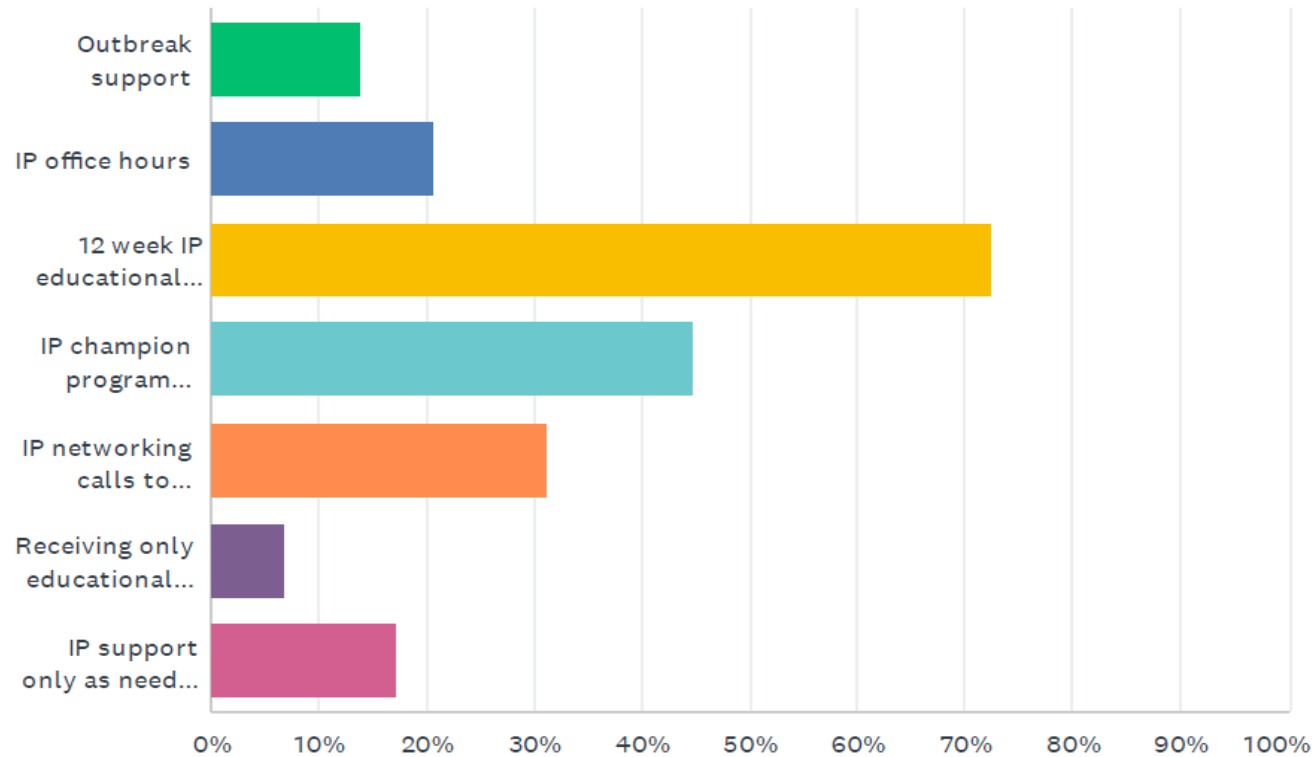

Answered: 28 Skipped: 1

6 <30 min; 21 30 min to 1 hr; 2 <30 min

Q8 Which of these FREE offerings would be of most interest in RISE 2.0? (pick two)

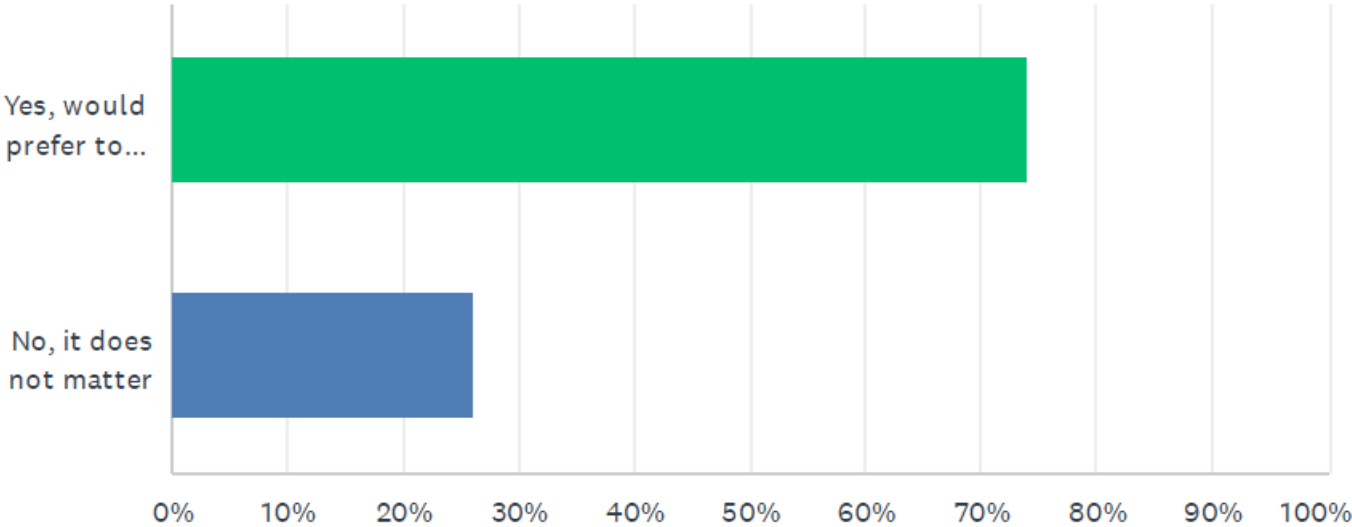

Answered: 29 Skipped: 0

12 week IP educational series	72.41%
IP champion program (includes elearning modules and virtual/onsite follow-up)	44.83%
IP networking calls to discuss various topics and formation of a "buddy" network for interested LTC infection	31.03%

Q9 If you are interested in networking with other facilities, do you prefer them to be the same as yours (i.e. you are PCH and would prefer only PCH be on the call)?

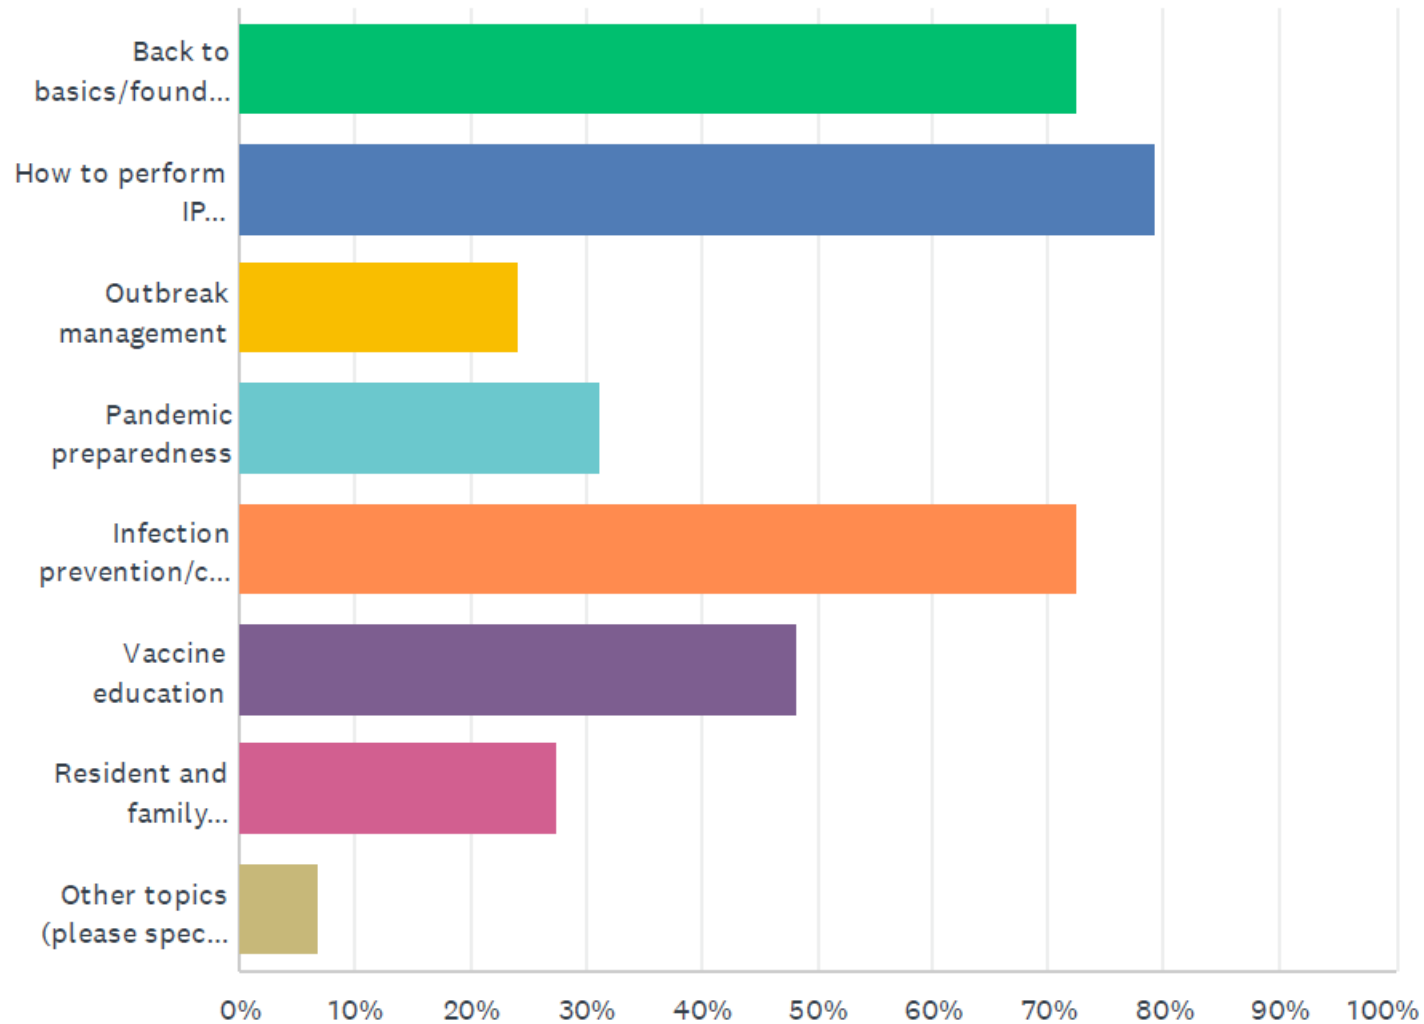

Answered: 27 Skipped: 2

20 prefer same type of facility; 7 does not matter

Q10 What topics would be of most interest to you for IP educational offerings? (identify top three)

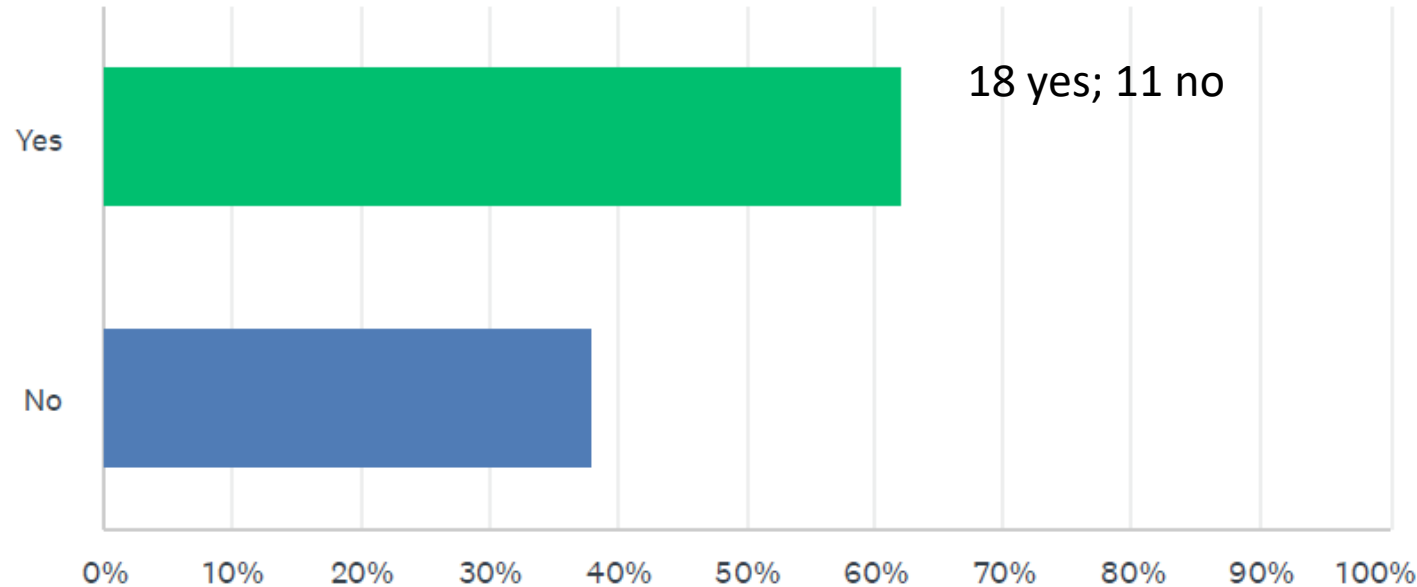

Answered: 29 Skipped: 0

Back to basics/foundational IP education	72.41%	21
How to perform IP auditing/rounding	79.31%	23
Outbreak management	24.14%	7
Pandemic preparedness	31.03%	9
Infection prevention/control risk assessment	72.41%	21
Vaccine education	48.28%	14
Resident and family education	27.59%	8
Other topics (please specify below)	6.90%	2

Q11 Do you have plans for a vaccine campaign? i.e. education for residents and staff?

Answered: 29 Skipped: 0

Q12. Would you be interested in help developing educational materials?
59% answered yes (17) and 41% answered no (12)

COURSE OVERVIEW

- **Overview**

- 12 weeks total
- 6 educational modules (2 per month)
- 3 coaching calls (1 per month)
- One week per month with no module or call (to complete assignments)

- **Educational Modules**

- Will focus on multiple topics that fall within a broad area of Infection Prevention
- Will have a small homework assignment
- Will provide links to module-specific resources/references
- Will provide module-specific checklists and/or audits tools
- Will provide links to module- specific (optional) additional reading

- **Coaching Calls/ Networking**

- Will provide a great place to network, share ideas and chat with other LTC IPs!!!
- Will be a safe space to discuss and share any challenges/ best practices
- Will provide an opportunity to discuss homework assignments
